Let us pray

For all areas of the world where people are suffering through conflict. Praying especially for the people in Ukraine where the war there is drawing near to its 4th anniversary. For the people of Sudan experiencing civil war and where the UN has now identified genocide. For the people of Iran where there is civil unrest and the fear that the situation may escalate into a wider conflict.

This Lent, as we face the cross and recall the suffering of Jesus, we pray for all Christians throughout the world who are suffering oppression and persecution because of their faith.

For all our Outreach Mission Partners, praying especially for the work of Tear Fund and the Bible Society.

For members of our two congregations who are no longer able to join us at services in our churches due to ill health or other problems that make the journey to church difficult. And for past members of our churches who have moved away from the district to live but still join us at service via video link.
